Pirraweau, Pa., June 2.—The river ris-ng, with five feet by the pier. Weather ARRESTED.

Washington, D. C., June 2.—Leonard Huyck, late President of the Merchant's National Bank, was arrested to-day, on a warrant, charging him with all the offences enumerated in the 55th section of the ma-tional currency act. The affidavit was made by the Comptroller of the Currency, who charges Huyck with taking and misapplied \$200 mil by caving to J. P. Rayne & Go. of \$200,000 by paying to L. P. Bayne & Co., o Baltimore, unlawfully and without author ity. This specific charge of the misappling cation of that amount is made in order to fix the amount of bail. Another charge against Huyck is that he, without auth signal Hoyer is that he without authors ity endorsed as good, a check for thrity-one thousand dollars on the Merchant's National Bank, on which the person who drew it, received that amount of money. Huyck knew at the time that the person had no funds on deposit nor any claim up

Mr. Huyck appeared before the justice with his counsel, but he waved an examina-tion. The justice required \$200,000 hall and Huyc's is to-night in the custody of an officer seeking persons to become his securities INVERNAL REVENUE RECEIPTS. The receipts from internal revenue this

ek were over seven millions, and the to tal receipts for May amount to nearly twen-PREEDMENS' BUREAU.

Hudson "Olimpics." The base ball match between the Cleve land High School Club and the Olymphic Slub, of the Grammar School of West ern Reserve College, came off on the ground of the latter Club, on Saturday afnoon. The High School Club strived at Indson on the morning train, and were varmly received by the Olympics. The bases were set in the open field back of the Atheneum, and play was called t two o'cleck, the Olympics going to the

The day was beautiful, and a large nur er of speciators were on the ground, all leaply interested in the result of the game. At the end of the third innings the High 7-30. AND 10-40 hool Club stood considerably in advance but the Olympics, growing accustomed to the play of their opponents, rapidly gained upon them, as will be seen by the score below-The remainder of the game was closely cor ested, and during the last innings the play was very exciting. The lookers-on on aphe players. But notwithstanding the extement among the spectators, there was cought and sold.

DEPOSITE RECEIVED ON FAVORABLE TRANS.
Agents for the Forth American Lloyd Line of teamships. Passengers ticked both to and from Bremen, Southampton, London and Havre but little confusion among the players, and all their movements wer made with renarkable rapidity and precision.

The game was concluded in less than aree hours, with five innings played, and with the close tally of 29 to 28, the High School Club being victorious.

After the game the Olympics invited the umptuous repast, spread for them in the hall of the college library. The supper of iself was a complete success, and it was have been satisfied with bidding their ande doubly pleasing to those invited, by the presence of the Hudson ladies, who showed their appreciation of manly sports by contributing their skill and cheer to the entertainment. The entire game was conducted with the most cordial and friendly feeling on the part of each club, and if the High School club found it difficult to bear the Olympice at play, they would find it equally difficult to suspass them in the liberality of their entertainment. The follow ing is the score

Heretofore the cirles of the lake cities | Hostetter's Celebrated Stomach Bitters.
READ E. D. E. N. SOUTHWORTH'S LETTER. PROSPECT COTTAGE, GEORGETOWN, D. C. April 2, 1863.

Missers, Hoerkryph & Supple : Gust'essa—It gives me pleasure to add my testi-nonial to those of others in favor of your excellenpreparation. Several years of residence on the tendency. banks of a Southern river, and of close applica-tion to it crary work, had so thoroughly exhausted lishment of the "Irish Republic" the next my nervous system and undermined my health but not active. A good demand exists for few days will witness great military activity that I had become a marryr to dyspepsia and nergold, coming chiefly from the lumber imdefying all known remodies to the Materia Medica-I had come to the conclusion that nothing but a total change of residence and pursuits would restore my health, when a friend recommended Silver-large, Hostetler's Bitters. I produced a bottle as an exto see the world. The eldest is sixteen and her companion fifteen years, both daughters of very respectable and well to do people. Previous to leaving Porkopolis, they got an eacort in the person of a lad twelve years old, and the trio arrived at St. Louis short of money and in great distress. They quartered at the Western Hotel, and succeeded the same at the same and the proparation all that it claims to be. It is a standard Family Cordinal with no, and compound-int. Notes, 63.1625-63160 and the Western Hotel, and succeeded the proparation at the same and the proparation all that it claims to be. It is a standard Family Cordinal with no, and compound-int. Notes, 63.1625-63160 are not same at the proparation at the proparation at the proparation at the person of a lad twelve years old, and the trio arrived at St. Louis short of money and in great distress. They quartered but one some years since first trial series, in 102 Series of 1881, couponis. 1881 Sizes of 1881, couponis. 1881 Sizes of 1881, couponis. 1883 Sizes of 1881, couponis. 1884 Sizes of 1881, couponis. 1884 Sizes of 1881, couponis. 1885 thing else; but we use it in all nervous, billions in making an engagement with Manager and dyspep it cases, from few dwar to toothache Deagle of the Varieties Theatre, as ballet If what I have now said will lead any dyspeptic or nervous invalid to a sure remedy, I shall have done

> A Remedy for the Piles.-It is a bless takes great pleasure in informing all who are suf fering with piles, that he used a small quantity Dr. Strickland's Pile Bemedy, and it effected a p Dr. Strickland's Pile Semedy, and it checked a per manent curve. This seems to be the care with a who make use of this splendfd preparation. It is manufactured at Mb. 6 East Fourth street, Circin nati, Ohio, and sold by all Pruggists.

SATURDAY EVENING, June 2, 1848.

Nothing particularly remarkable ha ranspired in financial circles during the past week, if we except the excitement that xeltement, and some military ardor, but as They of course could not have arrived in has characterized the Stock Market upon some leading railroad securities and more refined there is not much doing. Sales 1,500 bl bonded, June delivery Philadelphia, 413cc; 5 particularly Erie, which is in a very unsettled condition. The foreign advices received during the week have been of a more aspicious and re saturing character, so far as the situation of the English finances are sole, no sales reported this week. Smith's For concerned, but commercially no decided oil is arriving pretty freely. aprovement had taken place, and our Exchanges with Europe have derived no essential advantages from movements con modities, though the late large ship ments of gold have of course materially re-[Special Dispatch to Western Associated Pross.] Album size Photographs reduced in price, duced the balances against us, and placed us in a more favorable position with reference to our foreign trade. It seems probable, however, that an export of coin must continue to be the rule for a time to come. though in steadily diminishing amount. The shipments of the past week aggregat a little over six millions dollars. The price

sed this afternoon at 141(a141). The course of Gold during the week ha seen quite steadily upward, but without any excitement or severe fluctuations. The market is chiefly under legitimate influences, and the movement in price more natural than speculative. The market probably gains some strength from a conviction Claims collected without charge. See that the Tressury will not be seen disposed advertisement of "Free Claim Agen- to repeat its error of two weeks ago in supplying the foreign markets with cheap gold. The market for government securities has een characterized by a firm and steady

tone throughout the week, and close at an advance upon the opening figures for all denominations. The probability that an efort will be made to negotiate a five per cent, bond operates favorably upon the national scourities, and is perhaps the mos potent cause of their firmness and unward The business in government securities

this market during the week has been fair gold, coming chiefly from the lumber in

In the local money market the demand for loans during the week has been good, rather increasing in volume toward the close. The tendency of balances has been downward, and with one or two exceptions the banks to day reported close. The discussion of the banks to day reported close. The discussion of the banks to day reported close. The discussion of the banks is quite full, and the disposition is to extend accommodations only where a necessity seems to exist. only where a necessity seems to exist. Eastern Exchange has continued close

ut with a reduced demand bankers have een able to meet the calls upon those without shipping currency. Rates are firm s par buying and 1 10 premium selling In the general markets business continses quiet, and an entire absence of invest

nent feeling, boyond immediate wants, is the prominent feature in trade circles. We hear of very little movement in Flour, and nothing bayond trade lots. The market is steady and firm for the higher qualities but for common to medium grades prices take a wide range, and cannot be named with reliability. Wheat almost exclusive If Milwausea spring-is taken to a moder ate extent by interior millers, but the mar-10:00 ket is on the whole dull. Stocks, however, are low, and prices are quite firmly maintained, no variation of consequence having cocurred during the past week. Sure is in collaboration of six of common as collaborated to him. St., 750,000, upon 23,000, and 3,300, 23,300,

In the Provision trade prices gave ruled without change during the week, and close iteady. The demand for Smoked Ments and Lard has been good, but only a moderate quiry has been shown for Pors and Beef In Produce, Butter continues almost with out a market. Choese is in fair demand

Highwines are in light domaid, but firm Bleebel and Spirite steady. Petroleum has had a firm market during the week, and a good inquiry has been not ed for bonded; free ir quiet. Potatoes have been in good steady demand until within a day or two. The mar

ket was very quiet to-day, and price Cleveland Wasiesnie Market
